

SALES

As the region's largest dealer, BobcatCCE offers a wide selection of new and used equipment to buy, lease, or rent. Our Sales team at BobcatCCE is dedicated to connecting you with the right equipment for your needs—backed by expert advice and long-term support.

RENTAL

If you have a one-off job, need a special attachment, or just want to complete a project at home, we have a low cost option for you. Renting doesn't require a large investment, and you don't have to worry about upkeep. Just pay for what you need, complete your job, and return it when you're done!

PARTS

BobcatCCE stocks millions of dollars in high-demand, genuine Bobcat parts including filters, belts, fluids, tires, and tracks to help keep you up and running. From factory-certified parts specialists to the largest dealer network across Texas, we can get what you need fast.

SERVICE

If you need general maintenance or major repairs on your Bobcat equipment, then we have the right team for you! We are factory-trained, stock OEM parts, and provide a mobile field service team when needed. We know it's extremely important for you to have more uptime than downtime.

- Welded bull nose decks for better cutting
- Kawasaki® engines
- Comfortable operators station
- **Prices starting at \$4,799***

MINI TRACK LOADERS

Bobcat mini track loaders travel and work where other machines can't, making them a popular choice for grounds maintenance. They do serious work, including digging, trenching, tilling, moving material and more.

- 2 operating capacities to choose from
- Ergonomic operator joystick controls
- Bob-Tach® attachment mounting system
- Industry leader in attachments and attachment-ready features
- Simple operation and maintenance features
- **Prices starting at \$35,681***

COMPACT & UTILITY TRACTORS

With 19 models ranging from 21 to 73 horsepower, your choice of transmission types, and a wide selection of available implements, there's a Bobcat tractor designed for the way you work.

- 5 platforms to choose from
- Tight turning radius
- Industry leading lift capacity
- Operator comfort features
- One piece hood for ease of maintenance
- 2-year warranty
- **Prices starting at \$17,499***

SMALL ARTICULATED LOADERS

Small articulated loaders lift and handle heavy loads while providing precise maneuverability for navigating around obstacles. These nimble machines offer a light footprint for minimal damage to turf.

- Heavy lifting capacity in a small package; rated operating capacity 1,395 lbs to 1,534 lbs
- Available on L28 model, the telescoping lift arm extends to a lift-height of 104 inches
- High-capacity air filters and maintenance-free engine accessory drive belt requires no tensioning and no maintenance
- Articulating joint allows a tight-turning radius and precise maneuverability
- **Price starting at \$40,920***

UTILITY VEHICLES

Bobcat utility vehicles are designed to ride out the most challenging conditions. With industry-leading specs, proven durability, and comfort features that the hardest-working operators deserve, they're sure to deliver reliable productivity and performance everyday.

- 2 and 4 seat options available
- Gas or diesel engine options
- 1,250 lb bed capacity
- Enclosed cab options available
- Three selectable drive modes
- Convenient options and accessories
- **Prices starting at \$17,899***

TOOLCAT™ UTILITY WORK MACHINES

With the best features of a pickup, compact tractor, skid-steer loader and utility vehicle, Bobcat designed the Toolcat for people who have a lot to do and need a lot of machine to get it done.

- Includes standard 2-inch receiver hitch and a towing capacity of 4,000 lbs for moving trailers, boats and more
- Hydrostatic four-wheel drive and braking, with secondary multi-disc wet breaks
- Integrated 5-inch display
- Ability to use front-mounted attachments and rear-mounted implements
- **Price starting at \$69,000***
